COMMENTS ON PENDING LEGISLATION

## GEFFLES OF GERMANIA COMMON

I applie to the Chief, Alice Affelia Section, concerning this bill could was educated by him that there were no provinces in the bill which would import him function. He informs no that the major provinces of the hill, intended to relieve the corrier of the took of deportation, represent a recorring feature and that on the basis of past apprisance of pastage. It remains which the took that the bill would have any change of pastage. For this remain, I have not conducted a detailed enabyer of the minor exemperate which the bill would offert. At the present that, no only on by the Appendix section by the Appendix sections.
